One Unified Experience, Four Extraordinary Resources

"This outstanding one-stop gateway is invaluable, enabling users to find books, journals, videos, [audio], dissertations, and more without having to switch platforms." (Library Journal, April 2020)

For the first time, your library can have access to the world's largest curated collection of essential content, all in one place. With ProQuest One Academic, four core multi-disciplinary products – ProQuest Central, Academic Complete, Academic Video Online and ProQuest Dissertations & Theses Global – are now available and cross-searchable on the same user-friendly, responsive, award-winning ProQuest Platform.

Unified Experience

Search books, journals, video, news, and dissertations – without leaving the ProQuest Platform.

Varied Content

Meet the needs of students and faculty with a multidisciplinary content collection for teaching, learning and research.

Value

Get affordable access to ProQuest's largest and most-used multidisciplinary collections.

Simpler Administration

Save administrative time by reducing the number of platforms to configure and manage.

What's Included

[ProQuest Central™](#)

ProQuest Central brings together the world's most-used databases to create the most complete, diverse, and relevant multidisciplinary research collection available. You'll find content across all major subject areas, including business, health and medical (including nursing), social sciences, arts and humanities, education, science, engineering and religion.

[Academic Video Online](#)

Academic Video Online is the most comprehensive streaming video subscription available to libraries. Curated for the educational experience, Academic Video Online includes almost 70,000 titles spanning the widest range of subject areas including anthropology, business, counseling, film, health, history, music, and more. More than 14,000 titles are exclusive to ProQuest.

[Academic Complete®](#)

Academic Complete gives libraries an affordable, critical mass of nearly 184,000 titles with unlimited, multi-user access, powerful research tools and DRM-free chapter downloads. With a focus on quality over quantity, Academic Complete's hand-selected titles from leading publishers support curricula, graduation rate trends and emerging courses.

[ProQuest Dissertations & Theses Global™](#)

ProQuest Dissertation & Theses Global is the largest digital collection of graduate works, with nearly 5 million dissertations and theses (2.6 million in full text). Designated as an official offsite repository for the U.S. Library of Congress, this database offers comprehensive historic and ongoing coverage from over 100 countries.

"Essentially, ProQuest is offering a wide variety of source types used for academic research in a single, cross-searchable platform and continues to deliver the award-winning usability librarians and library users have come to expect."

Amanda Kraft, User Experience Coordinator,
College of Charleston Library

"ProQuest One Academic will give us the opportunity to consolidate existing resources and deliver access to a wealth of new high-quality journal, ebook, video, dissertation and news content to our user community in a cost-effective way."

Sarah Robbins, Digital Content Services Team Leader
at Liverpool John Moores University
