ProQuest's Health and Medicine Ebook Subscription™

15,900+ TITLES

VERY AFFORDABLE

UNLIMITED ACCESS

ProQuest's Health & Medicine Ebook Subscription offers anytime, anywhere access to more than 15,900 ebooks carefully curated to support the needs of any academic or community college medical program. The collection spans topics from nursing, allied health, psychology, diseases, anatomy/physiology, biology, chemical engineering, and much more.

More than 100 university presses contribute to this subscription including Oxford UP, University of California Press, Rutgers UP, Columbia UP, Cornell UP, and Johns Hopkins UP. Other notable publishers include Routledge, John Wiley & Sons, Springer Publishing Company, Wolters Kluwer Health, Elsevier Science & Technology, and Thieme Medical Publishers.

The subscription includes more than 650 Doody's, **CHOICE** and RCL award winning titles. It also includes a growing selection of Wiley titles that are only available in subscription through ProQuest including Doody's award winners, "Medical Ethics, Law and Communication at a Glance (2016)," "Health Promotion Programs: From Theory to Practice (2016)," and "Basic Pharmacokinetics and Pharmacodynamics: An Integrated Textbook and Computer Simulations (2016)."

All ProQuest subscriptions are delivered on the Ebook Central platform, which offers DRM-free chapter downloads, bookshelves, annotating and other features that enhance the research experience and improve outcomes. ProQuest is also the only ebook provider that offers both session and user-based usage data with Patron Analytics. Subscriptions offer unlimited multi-user access, continue to grow, and are affordably priced based on full-time equivalent (FTE) students. If libraries were to purchase every title in this subscription under a single user perpetual access model it would cost nearly \$1.4 million.

Offering journals alone won't give your researchers — or faculty — the support they need. Offer a diverse collection comprised of books and ebooks, along with other resources, to help researchers succeed. According to a 2017 ProQuest survey, nearly 100% of faculty recommend ebooks to their students and almost 80% use ebooks in their research.

CONTENT DIVERSITY IS CRITICAL.

In 2017, ProQuest asked researchers from around the globe what types of resources they use in their research. Two out of three respondents indicated they use every content type with books and ebooks being the most popular.

FOR THE GREATEST VALUE, CHOOSE ACADEMIC COMPLETE.

Our ten subject subscriptions are subsets of our flagship product Academic Complete, which is trusted by thousands of libraries around the globe. Focused on quality over quantity, Academic Complete offers over 185,000 multi-disciplinary ebooks from renowned publishers including a growing number of unique Wiley titles. It also offers complimentary technologies for driving usage and discovery including seven Syndetics Unbound enrichment elements and the Book Display Widget. Also inquire about our University Press Ebook Subscription and Reference Ebook Subscription. Both are designed to work better together with Academic Complete.

“Academic Complete helps us to provide more ebooks for undergrads in subject areas in which we might not always choose to purchase ebooks. The interface has always been the simplest to use, and the one that our users seem to like the most. Also, the multiple users for every title is invaluable - we never have to worry about turnaways.”
