⊟ **Abstract (summary)** Translate

According to this article on trends in nutraceuticals and nutricosmetics in the Canadian market, global sales of nutraceuticals were worth USD159.9bn in 2013 and are forecast to reach USD217bn by 2018. Meanwhile, global sales of nutricosmetics are set to grow from USD3.2bn to USD5.5bn. More than two-thirds of Canadians use natural products, including vitamins and minerals, functional foods and beverages, supplements, organic food and beverages, herbal and homeopathic remedies and natural/organic personal care.

BROWSE FIELDS

You can browse the contents of certain fields by using Look Up lists. These are particularly useful to validate spellings or the presence of specific data. Terms found in the course of browsing may be selected and automatically added to the Advanced Search form. Look Up lists are available in the fields drop-down and in the search options for:

Author, Location, Subject

and in the fields drop-down only for:

Publication title

"NARROW RESULTS BY" FILTERS

When results of a search are presented, the results display is accompanied by a list of "Narrow results by" options shown on the right-hand panel. Click on any of these options and you will see a ranked list showing the most frequently occurring terms in your results. Click on the term to apply it to ("narrow") your search results. "Narrow results by" filters in Foodline: MARKET include:

Author, Location, Publication title, Subject, and Publication date

LOOK UP CITATION

If you need to trace a particular bibliographic reference, use the Look Up Citation feature. Find a link to this toward the top left-hand corner of the Advanced Search page, or in the drop list under Advanced on any search form; click this and you will go to a form where you can enter any known details of the citation, including: Author, Document title, Page, and Publication title.
